FIRM PROFILE

Nest Capital Mortgage Investment Corporation’s objective is to obtain a secure stream of income for investors by optimizing its investment portfolio within the Mortgage Investment Corporation criteria mandated by the Income Tax Act.

INVESTMENT STRATEGY

Our investment strategy is to invest in a portfolio of residential mortgages in market segments which are underserved by large financial institutions. Nest originates all of its mortgage applications through licensed mortgage agents and brokers.

OBJECTIVE

Earn a consistent and stable high monthly return in residential mortgages based in Ontario.

TARGETED RETURN

The targeted return for investors is 10% annually and is paid monthly. Historical return has been 10% annually since inception.

INVESTMENT TYPE

The Nest Capital Mortgage Investment Corp is a pool of carefully selected mortgages in Ontario.

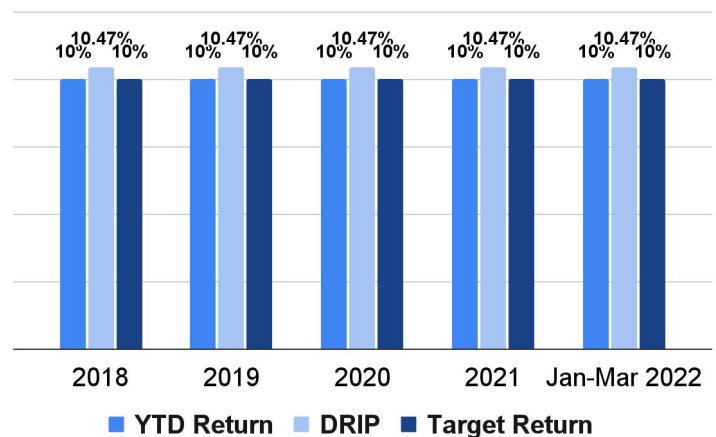

ASSET SECURITY

We spread the fund over multiple lower dollar value mortgages versus large mortgages. We do not invest in commercial or development mortgages.

REGISTERED PLANS ELIGIBILITY

Invest via all types of registered accounts, including RRSP, TFSA, LIRA, RRIF, LIF and more. Watch your money grow tax efficiently within your plan.
